

# VEHICLE NONOPERATION STATEMENT

MV2111 10/2001 s.341.08 Wis. Stats.

Wisconsin Department of Transportation

I certify that the vehicle described below was not operated on public highways:

From (Month / Day / Year)	Through (Month / Day / Year)	Vehicle Identification Number	
Vehicle Year	Vehicle Make	Vehicle License Number	Year License Expires
Signature(s) of Owner(s) - If Leased (Lessee)		Date Signed	Area Code - Telephone Number

A nonoperation statement will be accepted only if one full license period has elapsed since the date of expiration of the last license. A full license period is 12 full months if previously licensed annually, one or more full quarters if previously licensed quarterly, or one or more full months if previously licensed under the consecutive monthly registration program.

Note: Vehicles subject to biennial registration must be out of operation one full registration year to meet nonoperation qualifications.
